LEAD AND TRAIN

FINDING YOUR ROLE

SPORT CLUB – WHAT DOES IT OFFER?

A sport club offers sports enthusiasts health, friend-ship and social contacts.

SPORT ← SPORT CLUB → COMMUNITY

SPORT AND LEISURE ACTIVITIES FOR ALL

WHY BECOME A MEMBER IN A SPORT CLUB?

- I can take part in everything offered by the sport club
- I am insured against sport accidents
- I belong
- I can take part in forming “my sport club”

WHAT DOES SPORT IN A CLUB COST?

Members of the sport club regularly pay a small contribution to the club. These contributions are graded and differ in amount depending on age and family size. The size of the club and the sport also play a role. For children up to 18 years there are possibilities of support: “Kids in the Clubs” project of the Bremer Sportjugend and the “Bremen Pass”, and in Bremerhaven the “Training and Participation Packet” (Bildungs- und Teilhabepaket).

The club manages the money and pays from it:

- Fees for sport halls / sport grounds
- Trainers, instructors
- Sports equipment
- Costs for tournaments
- Accident insurance

SPORT IN CLUBS – WHO CONDUCTS THE SPORT COURSES?

- Trainers
- Instructors
- Sport teachers

All of them are specially trained for their sport and target group. They only receive minimal compensation for their commitment. → **they work “voluntarily” for the community.**

HOW DO I FIND MY SPORT CLUB?

Bremen has about 413 sport clubs. In every suburb. Information about the address and sports offered are available from:

- State sport federation (Landessportbund)
- Your local Sport Office
- Your school
- The Internet
- And others...

SPORT CLUB – HOW CAN I PARTICIPATE?

Trainer, instructor, sport teacher:

Anyone can be trained and then lead club sport groups.

Player, active member, participant:

Every club member can participate actively in the club's sport groups.

Volunteer:

Every club member can be involved actively in the sport club, for example as:

- Trainer, instructor
- Section leader
- Youth leader
- Treasurer
- Club chairperson
- Press officer
- Seniors coordinator
